## Finance & Business Law Scholarships

Financial Executives International (FEI) Scholarship

The Milwaukee Chapter of Financial Executives International offers two competitive scholarships to junior finance majors at several colleges and universities in southeastern Wisconsin. The schools nominate two of their students and FEI selects the winners, based on academic record and extracurricular activities. Applicants must have junior standing and a minimum GPA of 3.5.

Amount: $2000

How to Apply: Eligible students will be contacted by the Finance and Business Law Department and will be encouraged to apply.

Applied Investments Program (AIP) Scholarship

The Applied Investments Program allows a select group of students to manage a real portfolio of common stocks. The students are selected in the spring semester to manage the portfolio in the following academic year. At the end of the year, if the portfolio has a value of more than $50,000, scholarships are awarded to the top-performing students in the program, based on their research reports and presentations, and their overall contributions to the group.

Amount: $3000 distributed in total (number of recipients and distribution determined by the director)

How to Apply: Interested students are encouraged to apply for the program in the spring semester at the Finance and Business Law Department office, Hyland Hall 3300.
