

TRIO Student Support Services Survey

Mission:

The mission of the TRIO Program is to increase college retention and graduation rates of eligible students pursuing their first baccalaureate degree. TRIO is designed for students who have the potential to achieve and maintain high levels of academic excellence. The program fulfills this mission by providing a range of individualized services, including (a) academic, career, and transfer advising (b) math and writing tutoring, and (c) assistance with financial aid and scholarship applications.

Personal Information:

Name: _____ Date of Birth: _____
