

Direct Deposit

Faster way to receive your Refund Check

No International Accounts

Have you ever waited for your refund check to arrive in the mail just to find out it was sent to the wrong address?

Do you have to make a special trip to your bank to deposit your paper refund check?

What are the benefits of Direct Deposit?

Direct Deposit will allow you to avoid some of these delays by automatically depositing your refund check into the account of your choice in approximately 2-5 business days following the posting of the refund on your student account. The funds will be available to you as soon as they are deposited.

All future refunds will be direct deposited in the account you have set up
