New Agreement

Revised Agreement

Agreement Description and Rationale:

This articulation agreement establishes a cooperative relationship between the University of Wisconsin-Whitewater (UW-W) and Madison College (MC) effective for students starting the Bachelor of Science in Education- Elementary-Middle Education, in or after the fall 2024 term, which will assist both schools to better serve the educational needs of transfer students.

This Agreement and any amendments and supplements, shall be interpreted pursuant to the guidelines set forth in the Universities of Wisconsin Institutions Administrative Policy 140, Guidelines for Articulation Agreements between Universities of Wisconsin Institutions and WTCS Districts as well as Administrative Policy 135 Undergraduate Transfer Policy. Both institutions agree to maintain accreditation by the Higher Learning Commission and any other accreditation currently in existence pertaining to degree programs articulated via the transfer agreement.

1. Articulation Agreement Terms

This program-to-program articulation agreement between UW-W and MC allows students to be guaranteed admission and be awarded a minimum of 60 credits into the Bachelor of Science in Education- Elementary-Middle Education, Social Justice Literacy or STEM/STEAM track programs, given that all admission requirements are met.

1.1 Students transferring under the guidelines of this articulation agreement must:

- a. have earned an Associate of Arts-Liberal Arts Transfer Education Pre-Major with an average of 2.75 or better (on a 4.0 scale), including coursework from other institutions (if appropriate), and according to UW-W [repeat policy](#). (Although general admission to UW-W requires a 2.0 GPA, admission to Professional Education requires 2.75 or higher gpa, or appropriate test scores).
- b. have applied to and are successfully admitted into UW-W (all UW-W application deadlines apply) beginning fall 2024 and any subsequent terms.
 - i. there are additional steps to ensure ease of enrollment, additional steps will be communicated via email from the College of Education and Professional Studies prior to SOAR (orientation) and at the beginning of each term. A link to the website with program-specific requirements is listed in the Program Articulation Table below.

APPENDIX A

Elementary Education -Four Year Plan

1. The curriculum in the College of Education and Professional Studies is structured so that students move through classes in a prescribed order. Prerequisites are important and are strongly enforced. The four-year plan illustrates the type of curriculum a new freshman could take to complete a degree; it is not an official document. All courses require a grade of C or better to qualify.
2. Course to course equivalencies outlined in this table are specific to this agreement between UW-W Elementary Education programs and Madison College Liberal Arts Transfer – Education Pre-major.
3. You should plan to apply for admission to Professional Studies at the beginning of your academic experience at the University of Wisconsin-Whitewater, when you attend the required Student Orientation, Advising, and Registration (SOAR) event. Make sure you meet the basic requirements for admission by visiting our [website](#).
4. Elementary Education BSE program completers will be endorsed for licensure to teach regular education at the Wisconsin Department of Public Instruction, Kindergarten-9th grade.
