

# UWW Alumni Homecoming Weekend Parking Recommendations

## Friday, Nov. 1

Parking by permit is allowed in lots throughout campus. All lots and some street parking require a permit on Friday until 5 p.m.

Stop at the Visitor Center on Starin Road to register your license plates which will act as your permit to park in campus lots on Friday. There is a drive-thru window behind the building. **Just say you are with the Alumni Homecoming Reunion and this will give you a FREE parking permit.**

- Lot 7 and Lot 12 are closest to the University Center
- Don't park in any type of restricted spots
- Handicap spots are ok if you have a handicap permit along with your UWW parking permit
- Your parking permit does not cover the AMP spots
