

UW-Whitewater Career Services 2024-2025 Sponsorship Program

Dear Valued Partner,

UW-Whitewater Career Services is excited to continue our Sponsorship Program for the 2024-2025 year. This is an exclusive opportunity for you to reach and recruit our exceptional students beyond our standard services. If you're looking for additional ways to enhance your brand and presence at UW-Whitewater, we invite you to consider becoming one of our sponsorship partners.

We've included information in this brochure about why you should sponsor our department and what benefits you will receive as a sponsor. Through our Sponsorship Programs, you will have more direct opportunities to build your organization's brand and connect with our students who are ready to bring their skills to your organization.

We look forward to working with you in the future, and hope you'll consider this opportunity to further interact with our students for the upcoming 2024-2025 Academic Year. Please contact any of our Employer Relations team members if you have any questions or would like to meet to discuss the program further!

2024-2025 Sponsorship Program

Why Sponsor UW-Whitewater Career Services?

We are the primary connection point between employers and UW-Whitewater students.

During the 2023-2024 academic year, we connected employers with our students via our 2 career fairs, information sessions & tables, interviews coordinated through Handshake and more. Additionally, our office sent over **250,000** email messages to students related to our events and services throughout the year.

- **Warhawks are engaging with our programs.** Approximately **2,000** students attended our career fairs in 2023-2024, and over **570** students attended our Career Fest events during the year. Additionally, over **4,000** unique students logged in to use Handshake this past year. Finally, over **470** students used our free Warhawk Success Closet to find professional attire to attend career fairs & interviews and to use for internship and full-time jobs. Our students understand the importance of taking charge of their own career paths.
- **Our Warhawk students are distinguished.** UW-Whitewater is again a *2024-2025 College of Career Development Distinction*. Additionally, organizations like yours continue to hire our graduates. This endorsement of our students' skills is shown through the number of graduates (**99%**) that are hired within their fields or attend graduate school within the first 6-12 months after graduation.
- **Warhawks are well rounded.** With over **50** academic majors available, students from UW-Whitewater develop skills across a variety of interdisciplinary programs. They are prepared to adapt to the ever-changing needs of the professional world.
- **Warhawks are involved.** Last year, students were involved in UW-W's **187** recognized student organizations. Additionally, over **1,800** students were employed on campus. Through these and other extracurricular opportunities, our students gain skills outside of the classroom to help them become significant contributors in the workforce.
