Band Specific Packing List Items:

- Folding Music Stand (Labeled with last name)
- Prepared Audition Material (solo, etude, etc.)
- Instrument in good working order
- Notebooks and pencils
- Valve Oils and Mutes (Brass)
- Reeds (Woodwinds)

Auditions:

You will be asked to play the provided music, a scale, and something you've prepared during these auditions. These auditions are designed to place the camper in the appropriate band. See music labeled for your instrument.

The prepared piece can be a solo, etude, or piece of band music you've played. You will be asked to play a chromatic scale and a major scale of your choice as well as the camp supplied audition material. The audition places campers in the correct level band. Any student wishing to perform on the Honors Recital will need to complete a second audition on Sunday in order to be considered. Any student who wishes to be in the Jazz Ensemble should bring some piece in the appropriate style which shows their ability in this area. The Jazz Ensemble auditions will be conducted separately from the band placement auditions also on Sunday.

Honors Recital:

A number of outstanding solo and ensemble performances from the camp will be invited to perform in the honors recital on Wednesday at 7:30 p.m. in the Recital Hall. Students who received a "1" at the Solo & Ensemble Festival are especially encouraged to perform at this program. A separate audition on Sunday will select performers. Bring the solo and accompaniment music to camp. We will provide an accompanist. Students from the same school are encouraged to audition duets or small ensembles as well

Instruments:

You are expected to furnish your own instrument(s) and have it in good working order. In addition, you should come with an ample supply of reeds, valve oil, drum sticks, etc. as there are no facilities at which to purchase these items. Students who wear braces are advised to come prepared with an ample amount of wax or other mouth protection for the duration of the week. Electronic instruments will be provided as well as percussion instruments; however, percussionists must bring their own sticks and mallets. Instruments will be secured at the Center of the Arts in a locker or locked room (lockers are assigned on Sunday).
