

The University Honors Program is proud to announce two pathways for completing University Honors credentials. Beginning in Fall 2019, Honors students may choose between Pathway 1 or Pathway 2.

Two pathways will allow students greater freedom and flexibility in charting their Honors pathway. In addition, two pathways will encourage students to engage in diverse high-impact educational practices (HIPs) while allowing greater collaboration among the HIP units in Student Diversity, Engagement and Success (SDES).

---

**Pathway 1:** Earn 21 Honors Credits through Honors coursework and/or H-Option Projects.

**Pathway 2:** Meet the Honors residency requirement of a minimum of 9 Honors credits through Honors coursework and/or H-Options, then pick your own pathway to 21 by earning Honors Exchanges through the SDES programs listed in this brochure. (You may also complete additional Honors Courses and/or H-Option Projects in this pathway!)

(Students in good standing in the Honors Program may apply for Honors Exchanges to be retroactively credited.)

*Students must maintain the minimum cumulative UWW GPA of 3.4 to remain in the Honors Program, regardless of pathway.*

---

For more information, please contact the Honors Director or visit [www.uww.edu/honors/program-requirements/pathways](http://www.uww.edu/honors/program-requirements/pathways)

## **Honors Courses:**

*SDES Unit:* Honors Program

*# Honors Credits:* Dependent on the course

*Details:* Honors sections of courses and special Honors courses are offered in the fall and spring. For a complete list of Honors courses, go to <http://www.uww.edu/honors>.

## **H-Option Projects**

*SDES Unit:* Honors Program

*# Honors Credits:* Dependent on the course

*Details:* Honors students enrolled in a non-honors course may complete a project designed in collaboration with an instructor to augment their learning in the course. For more information, go to <http://www.uww.edu/honors/h-options>.

## **Travel Study Courses**

*Cooperating SDES Unit:*

Office of Global Experiences

*# Honors Credits:* 3 Per Course

*Details:* Honors students who complete a travel study course may apply to have their course converted to Global-Honors Exchange Credits.

## **Semester Abroad**

*Cooperating SDES Unit:*

Office of Global Experiences

*# Honors Credits:* 6 Per Semester

*Details:* Honors students who complete a semester abroad program may apply for Global-Honors Exchange Credits.

## **Community-Based Learning (CBL)**

*Cooperating SDES Unit:*

Community-Based Learning Program

*# Honors Credits:* Dependent on the Course

*Details:* Honors students complete 15 hours of direct contact in a CBL course. Training/prep, project work, and reflection are additional requirements.

## **King/Chavez Scholars Program**

*Cooperating SDES Unit:*

King/Chavez Program

*# Honors Credits:* 3 Per Year

*Details:* King/Chavez Scholars who join the Honors Program qualify for KC-Honors Exchange Credits.

## **McNair Scholars Program**

*Cooperating SDES Unit:*

McNair Program

*# Honors Credits:* 6 Per Year

*Details:* McNair Scholars who join the Honors Program qualify for the McNair-Honors Exchange Credits.

## **Research Apprenticeship Program (RAP)**

*Cooperating SDES Unit:*

Undergrad Research Program

*# Honors Credits:* 3 Per Year

*Details:* Honors student research apprentices are partnered with a faculty researcher in their chosen field and assist the faculty researcher with a research project.

## **Undergraduate Research Project**

*Cooperating SDES Unit:*

Undergrad Research Program

*# Honors Credits:* 2 Per Project

*Details:* Honors students work with a faculty mentor to propose and conduct their own research project. Conference presentations required.

## **Summer Undergraduate Research Fellowship (SURF)**

*Cooperating SDES Unit:*

Undergrad Research Program

*# Honors Credits:* 3 Per Year

*Details:* Honors students work with a faculty mentor to propose and conduct a research project throughout the summer and the following academic year. Conference presentations required.
