Applied Study for Performance Majors

- At each level a grade of "B" or better for two semesters is required to pass to the next level. A student failing to meet these standards must continue to study at the same level until the grade requirement is met. Units so earned may be applied toward graduation but will not count toward the completion of the requirement for study in the Primary Performing Area. With permission of the instructor, a student may elect up to four units of private study per semester.
- Prior to being admitted to the fourth level of study, a student must make four solo appearances on departmental recitals. In addition, while studying at the 300 level, the student must prepare and present a Junior solo recital of 25 minutes minimum duration.
- At the 400 level of study the student will prepare a recital of at least 45 minutes of music and will enroll in MUSC 489 (Senior Recital) during the semester of intended performance. One month before the intended date of the recital, the student will perform before a faculty jury, which shall decide whether expected standards for public performance are being met. Failure to pass this jury and to present the recital in public will result in a mandatory grade of "F" in Senior Recital MUSC 489 for the semester.

General Degree Notes
