Piano Requirement

Placement in Class Piano or Non-Primary Applied Piano (MUSC 128 = private lessons) is determined at the audition. Students may waive all or part of this requirement if they pass the Piano Proficiency Exam.

Note to students whose primary instrument is piano: The Class Piano requirement is waived for these students and they take MUSC 180/280/380/480 in lieu of 170/270/370/470. They are, however, required to take Non-Primary Applied Vocal Study (4 semesters MUSC 127 + 3 semesters MUSC 327).
Music Department Website: <http://www.uww.edu/cac/music/>.

Note: passing the Piano Proficiency Exam is a prerequisite for MUSED 328, MUSC 338, & MUSC 453.

Ensemble Requirement

The ensemble requirement may be fulfilled by participation in seven terms of large ensembles (MUSC 171 or 172), or six terms of large ensembles and two terms of small ensembles. Small ensembles include MUSC 277, MUSC 279 and MUSC 271 and opera or musical theatre productions, MUSC 272.

General Degree Notes

You must begin your Math and English sequences with the appropriate course. English & Math placement will be determined by your ACT/SAT score or an English Placement Test/Score. Please refer to your Academic Advising Report and adjust the plan accordingly. All students must complete a minimum of 120 credits including:

1. At least 32 units of general education, including specific Gen Ed core courses, as well as approved math and science, physical education, and elective courses. Your general education electives must come from the following categories: classes designated GA, GE, GG, GH, GI, GP, GS or GW.
2. All requirements for one of the degree plans.
3. All requirements for the major and (if appropriate) minor.

Transfer students may have different general education requirements than those listed. Refer to your Advising Report for requirements specific to you.

Core and General Education Requirements and Electives for Music Education Majors

While advisors can assist you with the process, it is the responsibility of students to check and understand their Academic Advising Report (AAR) on WINS. Music Education Majors are subject to four types of General Education requirements: University (AAR, section IV.), Diversity (V.) College (VI.), and PI34 if enrolled prior to 2019 (VII. – PI34 requirements are those subject areas mandated by the State of Wisconsin for licensure.) The following checklist is designed to allow you to fill the other requirements in the most efficient way possible. Note that many General Education courses and Electives are offered during Winterim and Summer terms. The EDFOUND 243 is also offered in the Summer. It is possible to save at least a semester by fulfilling these requirements outside of Fall and Spring semesters. Credits gained from ACT test scores and High School AP testing and coursework may also be applied to these requirements.

***University Requirements to Add to Your Semesters Above**

University required courses you must take in addition to the courses above. Please integrate them into your degree plan. You may add them to any semester in which it fits (there are some semester suggestions in the list below) as well as during Winterim or Summer.
