* Instrumental Performance Majors must enroll in 8 terms of ensembles. Students whose primary performing area is a wind or percussion instrument must enroll for eight different semesters of instrumental ensembles to be chosen from the following: Jazz Ensemble, University Orchestra, or Wind Ensemble, with no fewer than 4 semesters of Orchestra and/or Wind Ensemble. Students whose primary performing area is a string instrument must enroll for eight semesters of Orchestra.

** MUSC 454 is offered alternating Spring semesters. MUSC 443 is offered on a rotating basis according to student demand and faculty loads.

Applied Study for Performance Majors

- At each level a grade of "B" or better for two semesters is required to pass to the next level. A student failing to meet these standards must continue to study at the same level until the grade requirement is met. Units so earned may be applied toward graduation but will not count toward the completion of the requirement for study in the Primary Performing Area. With permission of the instructor, a student may elect up to four units of private study per semester.
- Prior to being admitted to the fourth level of study, a student must make four solo appearances on departmental recitals. In addition, while studying at the 300 level, the student must prepare and present a Junior solo recital of 25 minutes minimum duration.
- At the 400 level of study the student will prepare a recital of at least 45 minutes of music and will enroll for MUSC 489 (Senior Recital) during the semester of intended performance. One month before the intended date of the recital, the student will perform before a faculty jury, which shall decide whether expected standards for public performance are being met. Failure to pass this jury and to present the recital in public will result in a mandatory grade of "F" in Senior Recital MUSC 489 for the semester.

General Degree Notes

You must begin your Math and English sequences with the appropriate course. English placement will be determined by your ACT/SAT score. Math placement will be determined by your math placement score. Please refer to your Academic Advising Report and adjust the plan accordingly. All students must complete a minimum of 120 credits including:

- 1) At least 32 units of general education, including specific Gen Ed core courses, as well as approved math and science, physical education, and elective courses. Your general education electives must come from the following categories: GA, GE, GG, GH, GI, GP, GS or GW.
- 2) All requirements for one of the degree plans listed below.
- 3) All requirements for the major and minor (if appropriate).

This four-year plan illustrates the type of curriculum a new freshman would take to complete a degree in four years; it is not an official document. Refer to the Academic Advising Report and department website for detailed requirements. **Transfer** students may have different general education requirements than those listed. Refer to your Advising Report for requirements specific to you.

Core and General Education Requirements for Music Performance Majors

While advisors can assist you with the process, it is the responsibility of students to check and understand their Academic Advising Report (AAR) on WINS.

3	COMM 110 - Fundamentals of Speech

4-5	Lab Science designated GL
3	additional Physical Science designated GM or GL (must be a different subject area than the Lab science)
3	GENED/CORE 110 - World of the Arts (taken fall of Freshman year)
3	GENED/CORE 130 - Individual and Society
3	GENED/CORE 140 - Global Perspectives <i>OR</i> GENED/CORE 120 Historical Perspectives
