

CORPORATE SOCIAL RESPONSIBILITY CERTIFICATE

Coordinators: Leda Nath (Sociology, Criminology & Anthropology), nathl@uww.edu and
Dennis Kopf (Marketing), kopfd@uww.edu

Student Learning Outcomes:

1. Critically evaluate how leadership in corporations act responsibly (or irresponsibly) in relationship to the environment, community, consumer, employee, government, non-government entities, and other stakeholders and members of the public.
2. Describe and apply the basic ethical principles for business.
3. Name and understand a number of ways individuals and organizations impact the environment.
4. Implement the scientific method to solve a problem related to CSR.

How? Here are the steps:

1. **Sign-Up:** Tell you academic advisor you wish to add this certificate program to your degree and Academic Advising Report.
2. **Take 5:** See the check sheet below to complete the relevant five courses, and ensure you have the unique requirement met.
