Elective		3	Elective		0-3
Semester Total		15	Semester Total		12-15

**Lower division business courses that require a 2.5 combined GPA to register for them

**Business core courses are required for all majors in the College of Business and Economics.

Total Credits: 120

Upper Division Course Eligibility

To take upper division business courses (300-400 level) as a business major you must:

1. Have finished or be registering for the last courses in the **unique and lower division requirements, and communication skills.**
2. Have earned a combined (transfer and UW-W) **GPA of at least 2.8.**
3. Have **earned 54 or more credits.**

NOTES:

- **Accounting and Information Technology majors** start their programming and lower level requirements as freshmen, but can complete the major in four years.
- **Integrated science and Business majors** start taking the science courses required in the major as freshmen and continue through the sophomore year.
- **International Business** majors are required to **take 16 credits of foreign language** and three specific courses that count for general education electives and diversity: Political Science general education course, a Religious Studies general education course, and Cross Cultural Communication.
