**Wisconsin's
largest
business
school**

University of Wisconsin
Whitewater

Safety and health professionals help protect America's workforce, the public and the natural environment.

There is a growing demand for safety and health professionals as businesses and organizations respond to heightened market and societal expectations. The Department of Occupational and Environmental Safety and Health at the University of Wisconsin-Whitewater is committed to providing high quality, interdisciplinary curriculum that integrates previous and new learning experiences to enhance the student's intellect, scientific expertise and professional integrity.

Careers in Occupational Health and Safety are fast growing and boast among the highest earning base salaries in the college. A 2018 survey by the ASSP show median base at \$97,000 with 22% of respondents earning \$125,000+. Those with graduate degrees and certifications can earn \$20,000 more.*

Graduates pursue careers such as liability claims specialists, safety directors, worker's compensation specialists, health advocates and corporate safety officers.

YOUR FUTURE IS OUR BUSINESS.

Regional Powerhouse

Students in the department of Occupational and Environmental Safety and Health (OESH) at the College of Business and Economics will learn from esteemed faculty that quite literally wrote the textbook on the subject.

Our programs are designed with experiential learning to make subject matter come to life and stay with alumni long after they graduate. Undergraduate students also participate in real-world internships to apply skills learned in class to make an immediate impact on day one at their new position.

Graduate students have the benefit of 100% online learning to offer the flexibility busy professionals need from the #1 ranked online business program in the state.

The OESH program is ABET accredited; the basis for STEM disciplines all over the world. ABET accredited programs demonstrate educational quality, precision and safety.

All this from Wisconsin's largest business school.
