**Wisconsin's
largest
business
school**

University of Wisconsin
Whitewater

What do you get when you combine the University of Wisconsin-Whitewater's #1 ranking for online programs with the largest business school in the state? You get the power to make the future yours.

The College of Business and Economics (CoBE) offers programs with 100% fully online, asynchronous classes. This means you take classes when and where you prefer to fit your education around your busy lifestyle.

Courses are led by the same renowned CoBE faculty as in our on-campus programs. Students experience the same challenge, learning outcomes, and diploma as their on-campus colleagues. And students benefit from the same level of access to personal attention, business facilities, and 30,000+ active CoBE alumni.

Add to this the fact that UW-Whitewater is the best value in the UW System for your tuition investment, and that we have a university-wide 98% placement rate within one year of graduation, and you will discover that you owe it to your future to expect more from your education partner. Explore our online programs today.

- Bachelors of Science and Art degrees
- Bachelors of Business Administration degrees
- Graduate Certificates
- Master of Science degrees
- Masters of Business Administration degrees
- Doctorate of Business Administration degree

YOUR FUTURE IS OUR BUSINESS.

**For the life you live. For the future you want.
University of Wisconsin-Whitewater Online and the
College of Business and Economics**

Expect more from your education partner. The right education can help you break through barriers. Our online program helps achieve these goals at your pace, when it's convenient for you.

Graduate courses are offered in short, 8-week formats during the spring and fall semesters and as 6-week sessions in the summer. Bachelor's courses are sixteen weeks during Fall and Spring semesters, three and six weeks for Summer Session, and three weeks for Winterim Session.

Students may attend full- or part-time and all courses are AACSB Accredited--a standard of rigor and excellence held by only 5% of the world's business schools. (If you're an accounting student--only 2% have earned the added AACSB Accounting Accreditation.)

A college degree is an accomplishment nobody can take away from you. It can propel your career, increase your earnings, and deliver an unparalleled sense of pride. Learn more about the University of Wisconsin-Whitewater College of Business and Economics online programs today.
