

SAMPLE Four Year Plan | Bachelor of Science in Education - Geography

The curriculum in the College of Education and Professional Studies is structured so that students move through classes in a prescribed order. Prerequisites are important and are strongly enforced. The four year plan illustrates the type of curriculum a new freshman could take to complete a degree in four years; it is not an official document. Refer to Academic Advising Report for full requirements.

First Year

Fall

ENGLISH 100 or 101- Intensive College Writing and Reading or College Writing and Reading	3-4	
EDFOUND 212- Educational Psychology	3	
CORE 110 -World of the Arts	3

Total 15-17

First Year Advising Notes: By the end of the first year your GPA should be a minimum of 2.75 in order to meet the basic requirements for admission to the College of Education and Professional Studies.

Goals: Talk to your academic advisor about your interests and goals and begin to understand career options for your major. Explore student groups and organizations and join one that feels right for you. These groups offer a great way to learn more about the major and begin networking. Explore on-campus resources such as undergraduate research opportunities, the Mary Poppe Chrisman Success Center, and the Office of Global Experiences.

After your first year: Become comfortable in understanding and reading your Academic Advising Report.

Second Year

Fall

Lab Science - GL designation, students will take GEOGRPY 210	4	
COMM 110 - Introduction to Public Speaking	3	
Systemic Geography Course (see options below)	3	
CORE 120 or 140- Historical or Global Perspectives	3	
HISTRY 154- Western Civilization	3	

Total 16

Spring

EDFOUND 210 - Introduction to Education and Teaching	3	
EDFOUND 243 - Foundations of Education in a Pluralistic Society	3	
GEOGRPY 250- Geography of Wisconsin	3	
GEOGRPY Elective	3	
POLISCI 141- American Government and Politics	3	
ECON 213- Economics for Teachers *	3	

Total 18

Second Year Advising Notes: To stay on track, you should complete your foundation block courses by the end of your second year. You should plan to apply for admission to Professional Studies at the beginning of your fourth semester, once you have completed 40 credits. Make sure you meet the basic requirements for admission by visiting our website: <https://www.uww.edu/coeps/advising-licensure#admissions>

Goals: Be admitted to Professional Studies. Get to know the resources available to you in Winther Hall such as the Cloud Lab, the Office of Clinical Experiences, and the Academic Advising Office.

After your second year: Understand your program plan and graduation requirements.

University of Wisconsin
Whitewater

College of Education and Professional Studies

Systemic Geography Course (see options below)	3	
Regional Geography Course (see options below)	3	
SOCIOLOGY 240 - Principles of Sociology	3	
SECNDED 425- Teaching of Social Studies *	3	
SECNDED 340- Inquiry in Broadfield Social Studies *	3	

Total 18

Third Year Advising Notes: A faculty member will be assigned as your advisor once you are admitted to Professional Studies. They should be used to help you determine your program plan.

Goals: Attend the Hawk Career Fair as well as networking events and employer information meetings. Pursue a leadership position within a student organization or volunteer group. Get to know your professors, especially in your major. Start connecting what you learn in the classroom to how it will apply to your career.

After your third year: Work with your faculty advisor to make sure you're on track to graduate. Continue to seek major-related employment.

Fourth Year

Fall

EDFOUND 425 - Measurement and Evaluation in the Secondary School	3	
SECNDED 430 - The Teaching of Social Studies in the Secondary School*	3

Students must begin their Math and English sequences with the appropriate course. The English course a student starts with will be determined by their ACT English or SAT Verbal score. The Math course a student starts with will be determined by their UW System math placement score.

Admission to Professional Studies is required for students to take upper division courses in their educator preparation program. Eligibility requirements can be found at: <http://www.uwu.edu/coeps/advising-admissions/admission-to-professional-education>

Geography BSE program completers will be licensed to teach Social Studies in grades 4-12. This license authorizes candidates to teach coursework in Economics, Geography, History, Political Science, Psychology and Sociology.

Students may be required to pass additional assessments prior to student teaching and licensure.
