

COMMENCEMENT HONORING THE CLASSES OF 2020 AND 2021

UNIVERSITY OF WISCONSIN-WHITEWATER

MAY 15, 2022

10 A.M.

More than 150 years ago, on April 21, 1868,
the state's second normal school opened its doors to the
first class of 48 students and nine faculty members.

A progressive spirit guided the development of the institution as it evolved from a normal school, which trained teachers for one-room schools, to Whitewater State Teachers College (1927), Wisconsin State College-Whitewater (1951), Wisconsin State University-Whitewater (1964) and as a member of the 13 four-year institutions in the University of Wisconsin System (1971).

Today, UW-Whitewater is a leading comprehensive university serving approximately 11,460 full- and part-time students with 58 undergraduate majors, 18 master's degree programs, one doctoral degree and one education specialist degree in the colleges of Arts and Communication, Business and Economics, Education and Professional Studies, Integrated Studies, and Letters and Sciences.

The university awards more than 2,700 degrees every year.

Throughout its history, UW-Whitewater has produced graduates who have actively contributed to the growth of the state and nation. Student learning is the paramount focus of the university's programs and services.

The university takes pride in its regional leadership, national presence and global vision. Many of its academic programs are among the best in the country.

University of Wisconsin
Whitewater

2020 STUDENT SPEAKER

ALEXANDER OSTERMANN

Interfraternity Council president. Warhawk Ambassador. Student body president. Homecoming King.

Alex Ostermann's resume includes elections to some of the most prestigious student leadership positions at UW-Whitewater. But to focus on the titles is to overlook the legacy of a man who has spent his collegiate years advocating for students, mentoring a new generation of young leaders, and modeling public service and philanthropy.

The Cedarburg native has had an exceptionally active, well-rounded college career.

"UW-Whitewater set me up in the best way possible for my future. The faculty and staff here challenged me, pushed me out of my comfort zone and supported me in ways I never thought possible."

In his run for office for Whitewater Student Government, Alex campaigned on a platform of: Health, Safety, Community.

During his tenure, he has written and co-sponsored legislation to support LGBTQ* and nontraditional students, encourage voter participation and access, and increase mental health resources. During the unprecedented COVID-19 pandemic, he kept student government operating, holding virtual meetings and check-ins with students.

A member of Lambda Chi Alpha Fraternity, Alex coordinated a biannual food drive to benefit the Whitewater and Milton pantries that collected more than 4,000 pounds of food.

Every summer since 2014, Alex has volunteered for a week as a camp counselor, providing 24/7 care for a teenager with muscular dystrophy. And at the Green Bay Packers home opener in 2017, Alex performed the halftime show with the Warhawk Marching Band, playing trumpet in front of 80,000 fans at Lambeau Field.

In his spare time, he worked in University Marketing and Communications, championing students by writing articles about their academic and extracurricular achievements and sending them to the students' hometown newspapers, high schools and state legislators.

Along with his peers Brian Martinez and Hogan Vesperat, Alex established the Warhawk Legacy Society — a scholarship fund through the UW-Whitewater Foundation — in which each graduating student can donate their graduation year (the Class of 2020 would donate \$20.20 each) to fund a scholarship for incoming freshman.

"I think it's a really powerful, meaningful message to incoming students that these funds were raised by the graduating class. I hope it motivates them to give back to their community."

A marketing major, Alex graduated in May 2020 with a Bachelor in Business Administration.

He worked as an account management intern with Nina Hale Performance Digital, a marketing agency in Minneapolis, Minnesota. Since graduation, he has worked full-time for the company, now called Collective Measures Performance Digital, on its account management team. ❖

2021 STUDENT SPEAKER

ANNMARIE LAVORATA

As Annmarie Lavorata looks back on her undergraduate experience at UW-Whitewater, three words come to mind: experience, opportunity, family.

“It all started with my first visit to campus, when I immediately knew ‘this is where I’m supposed to be.’ I absolutely loved the people, the atmosphere, the vibe.”

Her passion is communication — an exciting and expansive field where opportunities for real-world experience abound at UW-Whitewater.

Freshman year, she joined the university radio station, 91.7 The Edge WSUW-FM.

“For someone who struggled with speech and dyslexia, I was surprised to have the encouragement and confidence from my professors and fellow students that I could do this successfully. They threw me right into a broadcasting role.”

Since then, Lavorata has expanded into television, too, serving as an analyst/color commentator for Warhawk football, basketball, softball and volleyball, and contributing reports for the stations’ news programs. The awards quickly followed.

At the 2019 Best of the Midwest Media Fest, Lavorata was honored for her work on “Warhawks Sports Saturday.” Lavorata was also among 12 Warhawks who took home honors at the Wisconsin Broadcasters Association 2020 Student Awards for Excellence.

When ESPN came to Perkins Stadium for the 2019 NCAA Division III semifinal championship football game, Lavorata and her UWW-TV peers worked alongside industry professionals for the live broadcast, assisting with pre-production setup, coordinating commercial breaks and confirming touchdowns and timeouts. The game was broadcast exclusively on the ESPN3 streaming network.

“I still pinch myself that it really happened. Working in the booth with ESPN’s announcing crew was an amazing experience, and I learned a lot. Everyone from the on-air talent to the director answered our questions and treated us with respect.”

Throughout her time as a Warhawk, Lavorata, a communication major from Crystal Lake, Illinois, says she has been surrounded by driven and creative people “who want to push you to be better.” Faculty and staff members like Jim Mead, director of UWW-TV and communication lecturer, have been “incredible.”

“He saw something in me, and continued to push me to be my best.”

Since graduating, Lavorata has worked as a public relations associate with Deerfield, Illinois-based All Points Public Relations. As a huge sports fan, it would be a dream to work in a job where she can cover the Chicago Red Stars, a professional women’s soccer team.

What does it mean to be a Warhawk? For Lavorata, “It means being a leader. Being myself. Warhawks are involved, strong, and dedicated people who don’t give up on accomplishing their dreams.”❖

COMMENCEMENT SPEAKER

KEVIN NEWELL

Kevin Newell embodies firsts. The first of his siblings to graduate from college. The first African American to build and own a multifamily commercial development in downtown Milwaukee. The first African American to partner with an NBA team to develop a commercial entertainment district.

A proud graduate of Milwaukee Public Schools, he came to UW-Whitewater in the fall of 2003, after submitting one just college application. Led by his mom, Velma “Lorraine,” Newell was quickly introduced to one of a few Black faces in leadership — Ms. Freda Briscoe, an advisor for pre-business students. With a guide on how to be successful on campus, Newell became very active with student organizations, including pledging Alpha Phi Alpha Fraternity, Inc., where he served as chapter president and oversight for all Wisconsin chapters as assistant state director.

Newell earned a BBA in general management in 2007, and one month later graduated from Marquette University’s Associate in Commercial Real Estate, or ACRE, program. In 2009, he earned an MBA with an emphasis in finance and management. And he quickly put that business, finance and real estate acumen to use.

In 2010 he founded Milwaukee based Royal Capital Group, a venture and holding company with a focus on urban development and innovation. As CEO, he leads the company’s strategic efforts across multiple platforms.

He has been a real estate partner with the Milwaukee Bucks, serving as developer and owner of Five Fifty Ultra Lofts, a key venture in the new \$1 billion live-work-play entertainment district.

In 2017, the Business Journal named him to their 40 under 40 list. He has also been named a National Top Real Estate Executive, Regional Top 75 Power Broker, and Top 48 Most Influential African Americans in Wisconsin.

Newell maintains strong ties to campus, serving as a mentor and a speaker, most recently keynoting the 35th Annual Martin Luther King Jr. Commemorative Event. He also serves on the Advisory Board of the College of Business and Economics.

Newell shares two daughters with his college sweetheart, Kellee Wilbourn. In his spare time, he focuses on being a mentor and active member in the community, serving on multiple boards that include finance, homelessness, health and wellness, and other areas that are critical to the success of disenfranchised communities.

He credits his time on campus for his preparedness for the world. He models his actions after a favorite quote that also highlights the importance of being your most authentic self as you maintain a love and self.

“If you can talk with crowds and keep your virtue, or walk with kings — nor lose the common touch...”
—Rudyard Kipling ❖

ACADEMIC PROCESSION

· MARSHALS ·

Jennifer Anderson, Ph.D.

Associate Professor of Social Work

Nathaly Cormier, Ph.D.

Assistant Professor of Biology

Kelly Delaney-Klinger, Ph.D.

UW-WHITewater CEREMONIAL EMBLEMS

THE MACE

A ceremonial staff called a mace is the official symbol of the university that is carried by a university marshal and signifies that ceremonies such as convocations, dedications and commencements have been officially sanctioned. The mace is a gift of the Class of 1969 in recognition of the academic growth of the university. Designed by Kurt J. Matzdorf of New York, the mace is fashioned entirely of sterling silver, enamels and amethyst and represents the School of Graduate Studies and the four of the five colleges of the university: Arts and Communication, Business and Economics, Education and Professional Studies, and Letters and Sciences.

The carrier of the ceremonial mace is the W.P. Roseman Excellence in Teaching Award recipient. The award, presented annually to a UW-Whitewater faculty member for outstanding teaching, was established in the memory of W.P. Roseman, who directed the campus elementary school from 1919 to 1942. An all-university committee determines the recipient, and the award carries a cash prize. ❖

ACADEMIC REGALIA

The cap and gown that faculty and students wear today have a tradition going back to the 12th and 13th centuries, when students and faculty were considered members of the clergy. The bachelor's gown has a closed front and long, pointed sleeves. The master's gown has an open front and extremely long, closed sleeves; the arms protrude through slits at the wrist and the ends of the sleeves are square, with an arc of a circle just above the bottom. The doctor's gown is an open-fronted garment with voluminous bell-shaped sleeves with three black or blue (for philosophy) velvet bars. Gowns are usually black.

The academic hood is edged in colored velvet, which indicates the field in which the degree was earned. The master's hood is three and one-half feet long, with the colors of the edging for degrees granted by UW-Whitewater. The lining of the hood is purple and white, the official academic colors.

Students wearing gold stoles with "Honor" printed on them are graduates of the University Honors Program. Gold cords designate students graduating with Latin honors (cum laude, magna cum laude and summa cum laude). Some students wear sashes reflecting their participation in student organizations. Graduates who studied abroad or who are affiliated with another country may wear satin sashes reflecting the colors of the country's flag. ❖

UW-WHITewater CEREMONIAL EMBLEMS

THE CHANCELLOR'S MEDALLION

The chancellor's medallion signifies the history and aspirations of the University of Wisconsin-Whitewater. Conferral upon the chancellor declares that person's institutional leadership role, investing the solemn rights, responsibilities and privileges attendant with that honor.

The medallion depicts the tower of Old Main, the building that served as the centerpiece of the campus from the university's founding in 1868 until it was lost to fire in 1970. The design of artist Linda Threadgill, an emeritus faculty member of the College of Arts and Communication, the medallion was cast and constructed in sterling silver and gold plate. Teresa Faris, professor of art and design, designed and constructed a chain of the same materials for the medallion in 2016.

A gift of the UW-Whitewater Foundation, the medallion was originally presented to Chancellor James R. Connor in 1987. ❖

CHANCELLOR'S GRATITUDE FOR MILITARY SERVICE COIN

The University of Wisconsin-Whitewater Chancellor Gratitude for Military Service Coin is conferred upon graduating veterans and military students, denoted by a ★ in the program, who wish to be recognized for their service. ❖

Management

UW-WHITewater ALUMNI ASSOCIATION

The Alumni Association is the principal organization through which UW-Whitewater graduates continue a relationship with their alma mater. This association seeks to enhance the reputation of its university while providing a variety of services and programming, including free professional development opportunities, Whitewater magazine, the Warhawk Pride alumni e-newsletter, alumni gatherings, alumni travel, Founders Day, Homecoming, the alumni mentor program, class guest-speaking engagements and advisory boards.

Organized in 1952, the Alumni Association has a current membership of more than 100,000 from across the country and around the world. Each semester, hundreds of new graduates join the ranks of this important organization at no cost to them.

Support for the Alumni Association is provided in part by generous alumni donations to the UW-Whitewater Foundation.

Those interested in learning more about the UW-Whitewater Alumni Association should visit the website at uww.edu/alumni. ❖

CLASS OF 2020 SPEAKERS

Brian Martinez and Jaclyn Wolf were chosen to serve as student speakers during the virtual commencement ceremonies in 2020. The university wishes to recognize them for their achievements and service.

BRIAN MARTINEZ

When Brian Martinez visited campus as a transfer student from another Wisconsin university, UW-Whitewater felt like an inclusive family, where everyone belonged — a place that put people first. “I could see myself thriving here. I knew the amount of opportunities I would have.”

Born in Puerto Rico, Brian and his family eventually settled in Mt. Pleasant, Wisconsin. Whether it’s hiking the Baraboo bluffs or recreating on one of the state’s 15,000 lakes, Brian’s affinity for the environment runs deep. With his work with the American Conservation Coalition, Brian helped advocate for new energy solutions to combat climate change and create economic prosperity.

On campus, Brian served as intergovernmental affairs director for Whitewater Student Government, where he advocated for student concerns and causes. Along the way, he served as a Kenosha County Circuit Court intern and field director for the C.E.R.S. Committee of the Republican Party of Wisconsin. He graduated in May 2020 with a B.A in political science with a legal studies emphasis and a paralegal certificate. A self-described policy wonk, he moved to Washington, D.C., and served on the digital political team working on Get Out The Vote efforts.

Brian, along with his peers, established the Warhawk Legacy Society — a scholarship fund through the UW-Whitewater Foundation — to support incoming freshman. ❖

JACLYN WOLF

With a beaming smile, a conversational personality and a natural ability to make others feel at ease — Jaclyn Wolf is passionate about people. And she greatly values empathy — that priceless quality that allows a person to imagine what it’s like to step into another’s shoes. The Janesville resident is drawn to community and nonprofit work.

“I want to work with troubled kids, whether it be as a social worker or a police officer. That way, I can help kids, and be a positive part of their lives. My experience in the foster care system for the first seven years of my life — living in 11 different homes — and as an adopted child allow me to relate to children who’ve gone through similar struggles. I understand them.”

Jaclyn has worked at Cedar Crest Assisted Living in Janesville, serving meals, working in the coffee shop and cleaning spaces. She’s also a drummer, pianist and singer who performs at church and in the choir at UW-Whitewater at Rock County.

She earned an Associate of Arts degree, and has greatly appreciated the personal attention and care that her faculty at the Rock County campus have given her. A passionate Warhawk, Jaclyn is continuing her academic career at the Whitewater campus, pursuing a bachelor’s degree in communication. ❖

ALMA MATER

Traditional tune from Scotland

Lyrics by Andrew Baldwin, Class of 2014

We sing to hon-or our great al-ma ma-ter, A place that we keep in our hearts day and night.

And our voi-ces soar just as those here be-fore pro-claim-ing our love for the pur-ple and white.

As we War-hawks fly to un-boun-ding heights we sing, "White-wa-ter White-wa-ter glo-ry to you!"

For we found a home and where ev-er we roam, we sing, "White-wa-ter White-wa-ter War-hawks are we!"
