- **Attach an official academic transcript for each school listed**

2. Failure to Earn Credit

For each school listed where you failed to earn credit, attach a separate statement explaining the circumstances resulting in your failure to earn credit. Include documents that support your statement of explanation. In most cases, the documentation needs to be from a third party, someone not related to you (work supervisor, medical professional, clergy, social worker, counselor, etc.) who is familiar with your situation and can support your case. The documentation should be on letterhead, where applicable, and include relevant dates. All letters must be signed.

Examples include:

- Death of an immediate relative or loved one. Indicate the relationship between yourself and the deceased, and include a copy of the death certificate/obituary.
- Documented illness or hospitalization of yourself, child, spouse, parent, or other close family member. Include dates, letter from doctor, and medical records. If you were the one who was ill or hospitalized, also include a letter from a medical professional addressing whether the issue has been resolved and indicating your readiness to return to school.
- Military withdrawal (include documentation from commanding officer).
