

## Cambridge Xbox One Guide

- Log in to the Student Portal at [student.housing.uww.edu](http://student.housing.uww.edu) and register the device under Apartment Media. You will need the MAC Address for the device.
- To locate your MAC Address, go to **Settings > Network > Network Settings > Advanced Settings**. You will need the **Wireless MAC Address**. It should be a set of six 2-digit pairs separated by colons (e.g. 1B:28:23:A3:HB:4C)

Wired MAC

Wireless MAC

| Your MAC Address

- You will need to connect your Xbox One to CM-Play5 using the password provided by the email that was sent to you after registration of your device was complete.
- Go to the **Settings > Network > Set up Wireless Network** and connect your Xbox One to CM-Play5 and then enter in the password. Remember that the password is case sensitive.

If you are having any issues with connecting your device, feel free to contact us.
