Note: First-generation status refers to undergraduate students, neither of whose parents have earned a four-year college/university degree. Persistence rates reflect the number of students who enrolled each semester as a percentage of the original cohort. As a result of UW System restructuring, persistence rates reflect retention at either the main or branch campus starting with the 2017 cohort. Enrollment excludes study away students. Graduation rates at the UW-Whitewater at Rock County campus refer to the acquisition of a two-year undergraduate degree.
