

# UC TABLE TENT POLICY

This is a University Center policy in conjunction with UW-Whitewater Dining Services that is implemented by UC Graphics & Marketing. Use of table tents in campus dining facilities must be approved by UC Graphics & Marketing. In order for this process to be the most beneficial to you and your organization, we request that you observe the following guidelines:

1. Only University departments and recognized student organizations\* are allowed to sign up for and reserve table tent space. Reservations are assigned on a first-come, first-served basis.
2. Send final PDF of your table tent to [fiscoj@uww.edu](mailto:fiscoj@uww.edu) before you have them printed.
3. UC Graphics & Marketing will place an “approved” graphic on your table tent, and the dates of your reservation. All tents need to be marked “approved” and dated before they are put out on any listed location, otherwise they will be discarded. It is recommended that you leave space on your design for the stamp, otherwise it might cover up some of your content.
4. Table tents run Monday-Friday (5 consecutive days). Weekends not included. Organizations cannot reuse table tents for another reservation. You will need to reprint table tents and get them approved again if you want them up for another reservation.
5. Only two organizations/departments can reserve table tent space in the University Center and dining facilities at the same time.
6. University departments and recognized student organizations are allowed a maximum of 5 reservations per semester.
7. **Distribution:** Sponsor organizations/departments will be responsible for putting out the table tents on the Monday that their reservation begins between 10 am-11 am or 2 pm-3 pm.
8. **Removal:** All table tents will remain in place until the end of the day on Friday. Dining Services staff and UC Building Managers will be responsible for removing table tents in all dining facilities at no cost to the organization/department. Locations and table quantities are listed below:

9. All table tents must meet the following requirements:

- A. If the table tent cannot stand upright on its own, it will be discarded.
- B. All table tents must be copied onto **110# cardstock** to aid stability, as dining tables are highly trafficked areas.
- C. There are four sizes to choose from (sizes below are before folding):
  - **Circular:** 9" x 5" & 8" x 5" (8x5" will fit two on 8.5x11" paper)
  - **Triangular:** 10.31" x 5.32" - each panel is 5.32" wide by 3.43" tall
  - **Triangular Small:** 10.31" x 3.64" - each panel is 3.64" wide by 3.42" tall - two fit on 8.5x11" paper
- D. Table tents must be created in one of these four sizes. Any deviation will result in your table tent not being approved and/or discarded. Templates are provided on the UC website ([uww.edu/uc](http://uww.edu/uc)) with exact sizes. These can be opened in Adobe Illustrator.
